Youth Information Office

The Youth Information Office

(BIJ) which reports to the Youth and Associative Life Service of the City of Le Havre supports Le Havre students in their efforts towards international mobility (SCI-Service Civique International, CES.... The BIJ is certified as a support organization for the CES (Corps European Solidarity) and has also been labeled Eurodesk since March 2018. It is a European network of information centers present in 36 European countries and supported by the European Commission. It offers reliable information to young people and opportunities for international learning. Finally, the BIJ organizes the "Seasonal Job Forum" every year. Beyond local offers, the office strives to offer international opportunities (job offers, volunteering, etc.). This year , 580 young people participated in this event.
