The “Back to Campus” is the unifying event of the start of the school year! It offers newly arrived students the opportunity to compete as a team to defend the colors of their establishment.

Wall climbing, top chef, kahoot, “Ninja Warrior” style obstacle course, “LH Quiz”... so many fun, cultural and sporting challenges that will allow students to explore the city.

From 6:30 p.m., the event continues with a pool party at the Cours de la République swimming pool with a prize giving ceremony by elected officials.

Finally, this integration day will end in style with the famous “Welcome Night”: a huge dancefloor from 9 p.m. to 4 a.m.! In 2022, more than 1,400 students participated in this festive evening organized by the students themselves.
