Role of the ambassador

The selected athletes will benefit for 4 years:

- annual financial support,
- visibility on the means of communication of the Urban Community.

In return, the winners must:

- honor the invitations sent by the territory as soon as possible,
- wear the colors of the territory during competitions,
- share their partnership with the Urban Community in the media, social networks, etc.
- keep the urban community regularly informed of their sporting news,
- regularly send press articles, TV reports and photos,

- > meet the inhabitants and municipalities of the region by implementing a specific action of their choice.
