

# EDUCATIONAL COUNSELLING

---

Choosing what to do once you have passed your Baccalauréat is not that easy, whether you are still in high school or already a student. Campus Le Havre Normandie will guide you through the various structures able to give you advice and help you find the course that suits you !

## The Educational Counselling and Information Centre (CIO)

---

The CIO is a public service provided by the Ministry of National Education. Interviews with educational and vocational counsellors are free and open to all. An abundance of documentation on training programmes, courses, and professions is also available for consultation.
