

FINDING SUPPORT

The City of Le Havre does its utmost to support local associations over the course of their project by providing them with information and counselling.

Counselling and supporting associations

Counselling

The Community Life Department will provide you with counselling and administrative support on the functioning of your association to help you set up your project, create your association, seek funding, search for facilities, etc.

Initiatives

- **The Café des Associations** is an opportunity to exchange with other associations and professionals on topics related to your project
- **One or two-day trainings** with professionals on a number of topics
- **Workshops providing simple tools** to help you with the functioning of your association

- > **The Blabl'assos meetings**, during which community leaders are able to share their experiences and exchange on various topics

The directory of associations

A whole range of recreational, cultural, environmental, sports, and leisure activities are offered by the local associations and clubs. Just check the City of Le Havre directory of lehavre.fr website
