FOCUS ON HEALTH STUDIES

Pursuing health studies in Le Havre is possible through the “Accès Santé” Bachelor’s Degree (LAS) and the “Accès Santé” specific course (PASS).

Published on 24 March 2021

These two courses are provided by the University of Le Havre Normandie, in collaboration with the University of Rouen Normandie. The two universities and the Le Havre Seine Métropole urban community have opened a new branch of the Faculty of Medicine of Rouen to enable Le Havre students to follow the first year of their health studies in Le Havre.
