ISPN has 4 campuses in Normandy for 650 students. The Le Havre campus has 150 students; 79% of work-study students and a success rate of 97% for all courses combined. Pedagogy is at the heart of the training center but the school has chosen innovation. The center offers innovative teaching that puts the student at the heart of our practices.

## Training

---

ISPN trains students in the exciting fields of communication, commerce, management and human resources. From obtaining a BTS to obtaining a BAC+5 level diploma, the school offers varied programs to meet the needs of students in terms of professional training and in line with the requirements of companies. The teaching team is made up of experienced professionals in their field, passionate about passing on their knowledge and experience to students. Students benefit from practical, concrete learning through professional projects, corporate internships and real-life case studies. The institute also provides student support services to help them succeed in their studies, such as tutoring, career guidance and networking opportunities with the school's corporate partners.
