

LYCEE JEANNE D'ARC REWARDED WITH THE QUALIOP CERTIFICATION

The Lycée Jeanne d'Arc vocational training centre has been rewarded with the Qualiopi certification for the quality of its student welcome, training courses, and student support.

Published on 28 May 2021

The Qualiopi certification applies to all training providers and independent trainers involved in :

- > training
- > skills assessment
- > training recognition and validation of prior learning
- > apprenticeship training

The Qualiopi certification is a testimony to the quality of the processes implemented by training providers and independent trainers in terms of skill development and training. It also helps businesses and users have a clearer understanding of the educational offer.

The certification awarded to Lycée Jeanne d'Arc this month is well deserved following a 90% success rate for all BTS classes in 2020 !
