

LES VOILES ETUDIANTES DU HAVRE POWERED BY EM NORMANDIE

Come experience the 12th edition of Voiles Etudiantes du Havre on March 26 and 27, 2022

Published on 26 March 2024

Around forty crews will compete on the exceptional stretch of water in the Bay of Le Havre, in a very friendly atmosphere. This regatta, organized with the Vague Normande Événement (Normandy Sailing League) and the support of the City of Le Havre, brings together students from all higher education establishments who have managed to secure a place for this renowned annual event in the calendar of student nautical competitions.

3 Campus establishments are participating:

- EM Normandie with its EM Sailing association will participate in 2 categories (J80 and First 7.5). The crew includes 10 novice and experienced sailors.
- ENSM with its Hydro Sailing Team association
- The Le Havre-Normandie University participates in this regatta every year. This year, maritime law students and those practicing sailing within the framework of SUAPS are participating.

Beyond the sporting challenge, the aim of this meeting of sailing enthusiasts and future young business executives is to introduce them to the charms and assets of Le Havre and to make them want to return there for weekends, training, or even to settle there as
