Le Havre boasts some very beautiful landscapes and views.

Student life in Le Havre is rich and varied. For film-lovers, the "Le Sirius" cinema, located in the university district, offers all the latest films at affordable student prices. You can also go and see shows at Le Volcan or attend café debates on current affairs, books or films, which are great ways to meet people !

The city of Le Havre offers a wide range of activities and entertainment for students, with the help of associations and BDEs (student unions) to help you party too ! Le Tetris, a concert hall located in the Tourneville fort, offers concerts and festivals all year round to suit all tastes !

Finally, I think that Le Havre has some very beautiful landscapes and viewpoints, such as the Jardins Suspendus and the new Nelson Mandela esplanade.

Don't hesitate to take a stroll !
