

ON THE SHOULDERS OF GIANTS

From September 22 to 24, the dissemination of knowledge and a taste for science will be at the heart of the new cultural event proposed by the City of Le Havre, in partnership with the Collège de France, the CNRS and the University of Le Havre Normandy.

Published on 26 March 2024

The City of Le Havre, with the support of the Collège de France, the CNRS and the University of Le Havre Normandy, has decided to create a new cultural event to share science. From September 22 to 24, 2022, this new knowledge meeting will bring together recognized scientific figures who will present their approach and their discoveries to us, in an accessible and attractive manner.
