

OPENING OF AGORAÉ, SOCIAL PLACE AND SOLIDARITY GROCERY STORE

A social place and a solidarity grocery store dedicated to students

Published on 26 March 2024

The Fed'LH, Le Havre Students' Federation, has been carrying out this project for several years. In 2010, the new team offered an online questionnaire, completed by more than 700 students, in order to clearly define students' expectations and needs.

Thanks to the support of Crous Normandie and the University of Le Havre Normandie, AGORAé du Havre opened its doors on September 20, 2021 at 1 rue Raspail (Place Danton).

What is an AGORAé?

A social and solidarity grocery store, AGORAé is also a meeting place. It allows a beneficiary student to meet social service assistants, but also elected student representatives who can assist and help them. It is also a place of meeting and exchange, open to all students, allowing them to take part in cultural, festive or solidarity initiatives. A real place to live.
