Make Le Havre shine!

This year, we want to show that our city is full of good points.

Thanks to you, in 2023, nearly 85% of Le Havre students recommended Le Havre to study there. This year, let's do even better together!

The Campus Le Havre-Normandie has many assets:

- A campus in the city center and close to the sea,
- Qualitative and diversified training,
- A wide and affordable housing offer,
- An efficient public transport network,
- A rich, varied and free cultural program,
- A large and dynamic job market,
- An attractive and welcoming city for international students.

And yes ! All this is in Le Havre!

So, if you also want to make Le Havre shine, answer the questionnaire :
