Encourage people from Le Havre to write

Co-organized by the University of Le Havre-Normandie, the City of Le Havre, EsadhAr and Sciences Po, in partnership with La Galerne and the Campus Le Havre-Normandie, the short story competition is an unmissable event for young people budding writers.

You have until March 30 to submit your news in the French-speaking or English-speaking student category.

More information on the City’s website and on the News Competition’s Facebook page.
