

STUDENT HOUSING SURVEY

Le Havre Seine Métropole, in conjunction with the AURH, has set up a territorial observatory for student housing in order to better understand the situation and their needs.

Published on 14 March 2024

In this context, a large-scale survey of students on the Le Havre campus. This survey concerns student accommodation:

- their current housing situation
- the difficulties they encountered in accessing student accommodation
- their housing aspirations.

This online survey will only take 3 minutes and you have until May 31 to respond.
