

THE UNIVERSITY JOINS THE CONVERSATION

The University of Le Havre Normandie has joined The Conversation community to improve the sharing of information on the research works being carried out at the university with a wider audience.

Published on 28 May 2021

Two of the many objectives jointly pursued by the University of Le Havre Normandie and The Conversation France online media are to contribute to public discourse through academic expertise and provide open access to research results.

Browse all the articles written by the teachers-researchers of the University.
