 [02 35 54 69 50](tel:0235546950)

 [Site internet \(http://formation-industries-eure-seine-estuaire.fr\)](http://formation-industries-eure-seine-estuaire.fr)

 **Tram:** Line A (Mt. Gaillard stop)

 **Bus:** Line 4 (D. Cordonnier stop)

Created by and for industrial companies, the UIMM Training Centers support companies by helping them define their skills needs and then proposing the most suitable solutions to meet them. Since January 1, 2021, the UIMM Training Centers of Eure and the Le Havre Region have merged to give birth to the **UIMM Eure Seine Estuaire Training Center**.

This new entity, which is the result of a shared desire of the two divisions to combine their skills, now brings together 4 sites with complementary skills and developed synergies:

- > Evreux
- > **Le Havre**
- > Port-Jérôme-sur-Seine
- > Vernon

These different entities offer industrial training for company employees, job seekers and young people, in the areas of:

- > The boilermaking
- > Industrial maintenance
- > Mechanics and tools
- > Plastics processing
- > Automation
- > Industrial performance
- > Management
- > ...

Apprenticeship at the UIMM Eure Training Center – Seine Estuaire

Through apprenticeship, the UIMM Eure – Seine Estuaire Training Center trains future agents and technicians in industrial professions with the aim of immediate professionalization. The training offered by the Training Center meets the needs of companies and increases the employability of employees, because they are professional, individualized and co-decided:

4 Professional Baccalaureate:

- > BAC PRO MEI: Maintenance of Industrial Equipment (MEI);
- > BAC PRO TCI: Industrial Boilermaking Technician (TCI);
- > BAC PRO TO: Toolmaker Technician Precision Machining;
- > BAC PRO TU: Machining Technician.

7 BTS:

- > BTS CRSA: Design and Production of Automatic Systems;
- > BTS CPRP: Process Design and Product Production (ex BTS ERO);
- > BTS EPC: EuroPlastics and Composites (formerly BTS IPE);
- > BTS MS: Systems Maintenance;

- > BTS CPI: Industrial Product Design;
- > BTS CRCl: Design and Production in Industrial Boilermaking;
- > BTS Electrotechnics.

7 Professional Licenses:

- > GOLI Pro License: Management of Industrial Logistics Operations;
- > Pro GPI License: Continuous Improvement of Industrial Production;
- > 2IM Pro License: Materials Integrity Engineering;
- > Pro MISP License: Industrial Maintenance Process Safety;
- > Pro Mechatronics License Robotics Option;
- > Pro CRCl License: Design and Production in Industrial Boilermaking;
- > Pro TMT License: Technician in Rotating Machines under pressure
