"Le Havre en forme" : a sports policy for everyone

During the summer season, the city is transformed into a veritable playground with a multitude of sports and well-being activities supervised by qualified sports instructors. Hip-hop, zumba, yoga, boxing, archery, bubble football... take advantage of over thirty free sessions a day, with special time slots for students.

Try the joys of water sports !

Studying on a seaside campus also offers incredible opportunities for water sports. Paddle, kayak, swim in the sea... during the summer, free introductory courses are offered every day !

And that's not all ! Every summer, all the swimming pools are open to you for just €1.
