As one of the components of the University of Le Havre Normandie, an important part of the policy of the University Institute of Technology (IUT) is to welcome all students and make sure they are successful. With this in mind, it is involved in several actions designed to make higher education programmes accessible to more and more high school graduates. The IUT is divided into 10 departments, divided on 2 sites:

IUT Caucriauville

32, rue Boris Vian • 76610 Le Havre

Bus : 9 / Tram : B (Schuman)

- Mechanical and Manufacturing Engineering (GMP)
- Business and Administration Management (GEA)
- Electrical Engineering and Industrial IT (GEII)
- Marketing Techniques (TC)
- Logistics and Transport Management (GLT)

- > Computer Science (INFO)
- > Social Work (ST)

IUT Frissard

Rue Théodore Nègre • 76600 Le Havre

Bus : 3, 5, 8 & 9 (Gares)

Bus : 8 (Paul Vatiné)

Tram : A & B (Gares)

- > Health, Safety & Environment (HSE)
- > Civil Engineering (GC)
- > Information & Communication (Info-com)

Good to know

The library of the University Institute of Technology (IUT) is situated on the Caucriauville campus. It is open from Monday to Friday, from 8.30 am to 6.00 pm.
