  48

Les tarifs

The university restaurants offer you a complete meal from €3.30 and 1 euro for scholarship students.

You have the choice between several payment methods:

- By credit card
- With your Léocard (http://www.normandie-univ.fr/leocarte-tous-normands-depuis-2013--17858.kjsp)
- With your smartphone using the Izly by Crous (https://www.izly.fr/) application

The leocard

You can also pay for your meals with the Léocarte, managed by your home establishment, common to most establishments in Normandy and compatible with the Izly by Crous (https://www.izly.fr/) payment solution.

Izly by Crous

Three ways to pay for your meals with Izly: the Léocarte, theCrous card and your smartphone with the Izly application.

1) I activate my account on my Izly space

I log in with my email address and my temporary password contained in the Izly by Crous (https://www.izly.fr/#howitworks) activation email.

In a few steps, I activate my account.

2)I recharge my account on my Izly space

You can also recharge your account by downloading the Izly byCrous app available on

- App store (https://itunes.apple.com/fr/app/Izly/id956519643)
- Google Play Store (https://play.google.com/store/apps/details?id=fr.smoney.android.izly.REC)

3) I pay for my meal

I use the Crous card, the Léocarte or my smartphone to pay for my meal.

To pay with my smartphone, I open the Izly by Crous (https://www.izly.fr/#howitworks) application, I click on “Pay”, a QR code is generated: I then present it in front of the reader at the checkout and my meal is paid!
